

EVERDRI HANGING

TECHNICAL DATA SHEET

PRODUCT OVERVIEW

High-performance Calcium Chloride desiccants for preventing moisture damage during transport and storage

KEY FEATURES

High absorption capacity

Rapid moisture absorption

Cost-effective

Non-toxic

PRODUCT SPECIFICATIONS

Product name	EVERDRI HANGING
CAS Registry Number	10043-52-4
Compositions	<p>Calcium Chloride Weight%: $\geq 65\%$</p> <p>Starch Weight%: $\leq 35\%$</p>
Water vapor absorption capacity (30° C, 90% RH)	$\geq 280\%$ of its weight
Packaging material	Nonwoven
Available sizes	500g and 1000g
Shelf life	Up to 2 years (depending on packaging type)

DIMENSION

Length: 1550 mm

Width: 150 mm

Depth: 40 mm

Weight: 1.0 kg

WORKING CONDITIONS

- Ambient Temperature Range: -20° C to +80° C
- Allow at least 3 cm of clearance around the desiccants for proper airflow

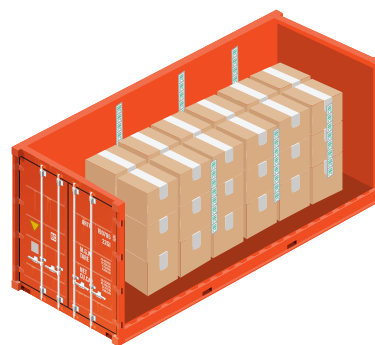

UNITS NEEDED

Container size	Dry cargo	Wet cargo
20 ft	4-6	8-10
40 ft	8-12	16-20

INSTALLATION GUIDE

Horizontal

Vertical
